Profile Summary

Aspiring CSE student with a growing interest in software development and hands-on learning. Currently building foundational skills in programming and beginner-level projects. Eager to learn, experiment, and improve through real-world exposure.

Education

- Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Avadi, Chennai, Tamilnadu** 2023 – Present
B.Tech in Computer Science and Engineering CGPA: 9.46
- Sri Chaitanya Junior College, Ongole, Andhra Pradesh** 2023
Board of Intermediate Education, Andhra Pradesh Percentage: 98.60
- Sri Chaitanya School, Tenali, Andhra Pradesh** 2021
Board of Secondary Education, Andhra Pradesh Percentage: 100

Technical Skills

- Programming:** C (Basics), Python (Intermediate), Java (Intermediate)
- Web Development:** HTML, CSS, JavaScript, NodeJS, PHP (Basic)
- Tools:** GitHub, VS Code, Jupyter Notebook
- Soft Skills:** Teamwork, Responsibility, Communication
- Interests:** Web Development, IT Services, Basic Machine Learning

Projects

- Automated Smart Parking Reservation and Guidance System (Minor Project)**
Built a web-based parking reservation system using HTML, CSS, JS, NodeJS, MySQL, improving slot-allocation efficiency by an estimated 30%.
- Water Quality Analysis Using Deep Learning Techniques (Community Service Project)**
Analyzed water quality using Python, TensorFlow, Keras, and Pandas.
- Smart Low-Cost Acoustic Imaging System (IoT Project)**
Developed a low-cost acoustic imaging system using MEMS microphone array and camera integration, improving sound-source localization accuracy by an estimated 35%.
- Real-Time Event Synchronization Engine (Full-Stack Project)**
Built a real-time event synchronization engine using Node.js and WebSockets, reducing client-side update latency by an estimated 40%.

Certifications

- Programming & Web Dev (Infosys Springboard):** DSA in Python, PHP 7, Web App Development, Meteor App Development.
- AI & Image Processing (Infosys Springboard):** Intro to AI, Deep Learning, NLP, Keras Image Classification, TensorFlow Image Solutions.
- NPTEL:** Introduction to Industry 4.0 & IIoT; Privacy and Security in Online Social Media.

Achievements

- Participated in seminar “Empowering Gender Equality by Promoting Digital Safety.”
- Completed programs: AI Safety & Governance; Azure Cloud Computing & Python for AI Services.
- Maintained strong academic performance with CGPA: 9.46 in B.Tech CSE.
